Calvary Kids

What curriculum are you using?

Bible App for Kids Bible Skills, Drills, and Thrills Gospel Project AWANA

Ministry Needs?

Additional volunteers - our regulars are getting tired! Prayers always

Ministry Goals?

To be in step with God's will as we do our best to sew into the next generation of the church and encourage them in their walk with Jesus.

Prayer Requests?

That current and future volunteers would crave disciple-making and not just babysitting, even when we're tired and Daylight Savings happens. Protection and renewed energy for weekly volunteers and their families That AWANA would continue to open doors for children in our community to hear about Jesus and learn His word. That above all, the children of Calvary and the New Prague area would see Jesus in us, hear His words from our mouths, have open hearts and minds, and put their faith in Jesus Christ.

Katherine Kaczor
Children's Ministry Director

Mission55

How are things going?

Things are going well. It is a busy time, so we have had to adjust our schedule several times.

The Men's Bible Study is growing we now have some men who are not members of Calvary Church attending.

We had a work project: we raked leaves for one of our members.

We also helped gather household items for one of our new members. This was more of a church wide project. Thanks to all of you who helped and gave.

We took up an offering for Samaritan's Purse.

We had a time in our last meeting for each of us giving thanks for what our Lord has done and is doing for each of us.

What curriculum are you using?

The Men's Bible Study has been using Warren Wiersbe's "Be" Series but are starting "The Last Hour" by Amir Tsarfati (book publ. 2018 and Guide 2023).

Ministry Needs?

We would like to have more ministry projects. If you know of a need we can meet, let us know.

The Men's Bible Study has increased to ten, we often encounter difficulty hearing everyone around the restaurant table. Finding improved meeting space and/or forming two groups are for our consideration. Helping a member as needed (including transportation). Having meeting space that is Handicap Accessible.

Ministry Goals?

Starting a carol ministry.

Continued weekly meetings of men to encourage development of spiritual disciplines to develop our faith.

Ministry Plans?

Dec 16 – Caroling

Feb. 17 – Progressive dinner

Men's small group to encouraging men in walking by faith. To grow and start another small group as well as general development of an active men's outreach/fellowship/ministry.

Prayer Requests?

Pray that God would show us where He is working so we can join Him.

Growth of the men's Bible Study/group with resources and guidance toward forming a second men's Bible Study/group.

Bob Luebbert
Mission55 Ministry Team Leader
